EXPERIENCE

The Escape Room Florence – Team Manager

Florence, AL

Sept 2022 – Present

- Managed a team of room hosts, including handling maintenance/IT issues, delegating tasks, and handling customer issues.
- Gained significant knowledge on maintenance issues such as fixing a magnetic lock, programming certain puzzles to open when inputting the correct code, and wiring.

UNA Office of University Advancement – Student Assistant

Florence, AL

Jan 2023 – Mar 2023

- Gained experience with tools such as Microsoft Excel and Word to log donations and send out mass letters to donors.
- Gained experience with various database tools, which allowed me to edit and add entries.

Walmart – Digital Personal Shopper

Birmingham, AL

Mar 2022 – Sept 2022

- In charge of shopping, staging, and dispensing orders for customers.
- In this role, I learned how to manage efficiently and fairly from my manager.

PROJECTS

Portfolio Website

- Designed this website using HTML, CSS, JS, and UX principles. This project was done outside of class.
- View my [Portfolio Website](#).

UNA Exam Finder

- In this project, I created a website that finds students' exam dates and times based on when their class is.
- View [the repository](#).

Online Store Listing

- I completed this project during a course through Udemy. In this project, I created a listing for Converses.
- View this project [on CodePen](#).

iFixit Tech Writing Project

- Helped design a webpage for iFixit. This included formatting the page, finding images, and applying UX principles.
- View my [iFixit Page](#).

LEADERSHIP

Church of The Highlands – 252

Birmingham, AL

May 2021 – July 2021

- Led team-based projects, showcasing strong organizational and communication skills. Attended and was a leader at events such as Serve Day, MOTION Conference, and Summer Blast.
