## EXPERIENCE

---

### Cummings Creative Group (CCG) – UX Design Contractor

Birmingham, AL -- Remote

Aug 2025 – Present

- Developed comprehensive UI/UX designs by creating wireframes, interactive prototypes, and high-fidelity mockups to effectively communicate design concepts.
- Conducted user research and usability testing to evaluate design effectiveness, synthesizing findings to inform data-driven design iterations and improvements.
- Maintained and enforced a consistent design language system across multiple products and platforms to ensure a cohesive user experience.
- Collaborated with product managers and engineers to align design solutions with user needs and technical requirements.

### Cummings Creative Group (CCG) – UX Design Intern

Birmingham, AL -- Hybrid

May 2025 – Aug 2025

- Assisted senior designers in implementing design solutions, creating wireframes and prototypes to visualize and test ideas.
- Conducted foundational user research, including interviews and surveys, to gather insights into user needs and behaviors.
- Presented design work to internal stakeholders, incorporating constructive feedback to refine visual assets and user flows.

### University of North Alabama Office of Advancement – Student Assistant

Florence, AL – On Site

Jan 2023 – Apr 2023

- Provided administrative support for fundraising campaigns and alumni relations initiatives, including data entry, using Microsoft Excel, and preparing materials for mailings and events.
- Assisted with event logistics for alumni gatherings and donor recognition events, ensuring a positive experience for all attendees.

### Team Manager – The Escape Room Florence

Florence, AL – On Site

Sept 2022 – Present

- Oversaw daily operations and mentored a team of game masters and customer service representatives, fostering a collaborative and motivating environment.
- Analyzed qualitative and quantitative customer feedback to identify pain points and implement strategic improvements, enhancing the overall customer journey.
- Collaborated with the marketing team on promotional strategies to effectively communicate the value of new and existing offerings.

## EDUCATION & CERTIFICATIONS

---

- **Bachelor of Science Degree – HCI/UX:** University of North Alabama, Florence, AL
- **WCAG Compliance:** WCAG.com
- **Google Professional Certificate – UX Design:** Google
